

CNK-UK

Weekly Apple Donation by The Morabeza Hotel

Since January the Morabeza Hotel has been donating 5kg of apples weekly to the children of Centro Nos Kaza (CNK), a big thank you it is much appreciated. Last Monday I had a helper from the UK, Karis and her mum Donna came with me to the Morabeza store room to collect the apples then gave them to Aldir for the children.

Weighing the Apples

Karis with the Apples

Aldir receiving the apples from Karis

Food storage and Preparation Area

As you can see from the photos the Centre has very little. If you can help with providing food for the children's meal (all children morning and afternoon session get a simple meal) or give a donation to allow us to buy food we would be very grateful. Please look at our website for further information about the Centre and how CNK-UK supports the work of Aldir and Katia.
